Information letter

April 29, 2022

Mogilev, the Republic of Belarus

DEAR COLLEAGUES!

We invite you to take part in the work of the V International scientific-practical conference «**Philosophical and pedagogical problems of continuing education**».

The conference will be held **on April 29, 2022** in the educational institution «Mogilev state A. Kuleshov University».

Problems for discussion :

1. Modern functions of the state and society in the development of continuing education.
2. The idea of continuing education in the historical development of philosophy and the history of education.
3. Social and humanitarian aspects of continuing education.
4. Continuing pedagogical education: history and prospects.
5. Continuing education and transformation processes in modern society.
6. Educational ecology and educational strategies for sustainable development.
7. Economics and Sociology of Continuing Education.
8. Continuing Education and Innovation.
9. Digitalization of continuing education: opportunities and risks.
10. Technological and methodological support for continuing education

The working languages of the conference are Belarusian, Russian and English.

Form of participation in the conference:
full-time, part-time, distance

SUBMISSION PROCEDURE

To participate in the conference, you need to register on the website konf.msu.by through the google form REGISTRATION by April 10, 2022.

An article and an application for participation in the conference are submitted to the e-mail address with the name of the author (s).

A prerequisite for participation in the conference is the originality of the publication text of at least 75% (a screenshot of the anti-plagiarism check is sent along with the conference materials).

E-mail: snopkova@msu.by

Material requirements

The volume of materials is up to 5 full A4 pages typed in the Word editor (version no lower than 6.0) for Windows at 1 interval in Times New Roman 14. All fields (top, bottom, left and right) are 25 mm each. The first line is the UDC index (left justification), the second is the initials and surname (s) of the author (s), city (right justification). Through the line - the name of the materials in capital letters (center alignment). An abstract in Russian and English is printed through the line (up to 5 lines 12 pt) and keywords. Then the text is printed through the line (indent 1.25 cm). Footnotes are given in the text in square brackets. After the main text is a list of used literature. The application and materials are submitted in 2 copies on electronic and paper media.

The editorial board reserves the right to select materials. Each conference participant submits only one material (in person or in collaboration). Materials that are not relevant to the conference topics or not designed in accordance with the requirements will not be considered.
